45mins \$90
60mins \$110

A gentle, relaxation style massage to help reduce stress, tension & tightness. Light, Medium or Firm pressure is used with long flowing movements for total relaxation. Increased circulation and relief of muscle tension are a result of this massage.

DEEP TISSUE MASSAGE

90mins \$140

Deep tissue massage focuses on realigning the deeper layers of muscles and connective tissue. It is especially helpful for chronically tense and contracted areas such as stiff necks, lower back tightness and sore shoulders. The movement is slower and the pressure is deeper and concentrated on areas of tension and pain. Post treatment soreness may occur after the massage.

FOOT & LEG MASSAGE 20mins \$40

SOOTHING HOT STONES 90mins \$160
Hot stone massage is a specialty massage where the therapist uses smooth heated stones. This acts as an extension of their own hands. They also place them on one part of the body while they massage another. The heat is deeply relaxing and can help warm up tight muscles, so the therapist can work deeply more quickly.
